## Totally wrapped up on stretchers

11th August, Nagasaki, A little girl, 6 years old

In the morning of 11th August at Michino'o Station a lot of people wrapped up with bandage were lying on stretchers.

"Water, water!" They were groaning and squirming.

Because the train could not continue, they were taken out. I saw them just for a short moment, but that scene is still printed in my eyesight and I cannot forget it.

It was scaring, it was really scaring. I wanted to leave that place as soon as possible. I could not stand seeing it.

ぐるぐる巻きで担架に 8月11日 長崎 6歳 幼女

8月11日の午前、道の尾駅に、包帯でぐるぐる巻きにされた人が、担架に寝かされていました。ただ「水!水!」という呻き声を出してうごめいていました。汽車が先へ行かないので降ろされて、一瞬見ただけでしたが、その光景は未だに頭に焼き付いて忘れることが出来ません。恐ろしくて、恐ろしくて、一刻も早くその場から離れたくて、見ていることが出来ませんでした。
